Application for membership shall be in writing on Corporation forms and include sponsorship by four (4) current members, each of whom have been a club member for at least the previous two (2) boating seasons. Applications must be complete and be submitted along with a portion of the initiation fee to the Rear Commodore.

Applicants are required to attend at least one (1) social event, as a guest of a current member; prior to submitting a membership application. This will provide the club members the opportunity to meet and become familiar with the applicants. Members may, at their option, offer sponsorship at this time.

All applications will be posted on the clubhouse bulletin board for a period of thirty (30) days for review by current members. Members will also be advised of the new applicant postings at the monthly meetings and/or the newsletter. Comments regarding the applications should be directed to the Rear Commodore.

Voting on all candidates for membership shall be held at the first general meeting after the thirty (30) day applicant review period. A quorum of at least twenty-five percent (25%) of the members must be present with at least two (2) of that number being Flag Officers. Voting shall be by secret ballot which lists each candidate separately. The vote shall be by all members in attendance, with selection based on seventy-five (75%) favorable vote. Approved applicants will become active members and will be sworn in immediately following the vote by the Rear Commodore.

All new members will be subject to a ninety (90) day probationary period.
